| Saturday April 15 | 8-10 a.m. | Riverwalk Animal Hospital | Dr. Sybil Davis |

Dogs must be on a leash and cats must be in a box or carrier.

The South Carolina Rabies Control Act requires that all dogs and cats have a current rabies vaccination. For the majority of vaccines, the minimum age to vaccinate puppies and kittens is 3 months of age. Upon vaccination, the pet should wear the serially numbered rabies tag, provided by the veterinarian, around its neck. The licensed veterinarian will also provide a certificate of vaccination.
